Design Technology

Design purposeful, functional, appealing products for themselves and other users based on design criteria.

Select from and use a range of tools and equipment to perform practical tasks [for example, cutting, shaping, joining and finishing.

Select from and use a wide range of materials and components, including textiles according to their characteristics.

Explore and evaluate a range of existing products.

Seaside

Art

Use a range of materials creatively to design and make products

Use drawing, painting and sculpture to develop and share their ideas, experiences and imagination

Develop a wide range of art and design techniques in using colour, pattern, texture, line, shape, form and space

Wow factor

Seaside Trip

Computing

Understand use of algorithms.

Write and test simple programs

Use logical reasoning to make predictions.

Music

Use voices expressively and creatively by singing songs and speaking rhymes and chants

Experiment with, create, select and combine sounds using the inter-related dimensions of music
