

Geography

Describe and understand key aspects of:

- physical geography, including: climate zone, rivers, mountains,

Describe and understand key aspects of:

- human geography, including: types of settlement and land use, economic activity including trade links, and the distribution of natural resources including energy, food, minerals and water

History

Pupils should continue to develop a chronologically secure knowledge and understanding of British, local and world history, establishing clear narratives within and across the periods they study. They should note connections, contrasts and trends over time and develop the appropriate use of historical terms. They should regularly address and sometimes devise historically valid questions about change, cause, similarity and difference, and significance. They should construct informed responses that involve thoughtful selection and organisation of relevant historical information. They should understand how our knowledge of the past is constructed from a range of sources.

Art

Create sketch books to record their observations and use them to review and revisit ideas
Improve their mastery of art and design techniques, including drawing, painting and sculpture with a range of materials
Learn about great artists, architects and designers in history

Computing

Use search technologies effectively, appreciate how results are selected and ranked and be discerning in evaluating digital content.
