Dream big, fly high

Gardening Club

We would like to say a massive Thank You to all the parents, carers, and children who have dedicated their time and energy to improving our garden and Forest School area over the past few weeks. Your hard work, enthusiasm, and generosity have truly transformed the space ready for the Summer term.

We are incredibly excited to begin planting this year's crops in the newly painted and freshly composted planters, as well as to add new plants to the beautifully fenced area. None of this would have been possible without your contributions and commitment.

This week, we have celebrated British Science Week. The children have had a fantastic time developing their curiosity and creativity within Science, Maths and Technology.

This year's theme is *Curiosity: What's your question?* and we have encouraged the children to ask the "hows" and "whys" that lead to great scientific breakthroughs. The children have demonstrated great inquisitive skills in all they have done.

There have been a range of activities happening across the school including a live lesson with Tim Peak, who shared facts about the Moon, as he marked the 10th anniversary of his mission to the International Space Station!

PTA World Book Day Event

Thank you to everyone who supported the PTA World Book Day event. They raised an incredible £259. A big Thank You to those who baked, donated, brought goodies, dressed up and supported the day. A special Thank You to the PTA volunteers who helped everything to run smoothly.

We are excited to be participating in the Big Walk and Wheel event, running from Monday 16th to Friday 27th March.

Big Walk and Wheel is the UK's largest walking, wheeling, scooting and cycling challenge. It inspires pupils to make active journeys to school, improve air quality in their neighbourhood and discover how these changes benefit their world. On each day of the challenge, schools compete to see who can record the greatest number of pupils walking or wheeling to school and children's efforts will be recognised by reward of virtual badges. Schools will also be entered into a daily prize draw with the chance of winning PE equipment, so please do get involved to increase our chances of winning!

Click [here](#) to find out more about the initiative.

Spring Term Parents' Evening

Don't forget to book your Parents' Evening appointment via the 'Parents' Evening' tab in the MCAS App. Meetings will be held on **Tuesday 24th and Wednesday 25th March**.

If you have any problems booking an appointment, please get in touch with the school office.

Parent Coffee Morning – Tuesday 24th March at 8.45am

A reminder we are hosting our first Parent Coffee Morning on Tuesday 24th March at 8.45am. Come along to meet other families, ask questions, and share ideas.

Red Nose Day

On Friday 20th March, it is Red Nose Day for Comic Relief. It will be normal school uniform on that day and we kindly ask that children do not bring any accessories into school.

For more information, please click [here](#).
