Dream big, fly high

Summer Term Welcome

Welcome back to the final term of the year. All the children, as always, are kicking off the term with new Bookshelves. These are a selection of books hand-picked by your child's Class Teacher to enthuse the children in their learning and to bring to life the Character Traits which are as follows: **Kindness, Bravery, Gratitude, Citizenship, Curiosity and Integrity.**

During the time children are with us, these Character Traits are repeated and revisited through various points in the curriculum so that they build up a good evolving knowledge of them and how they can affect their personal development.

Pre-School

Reception

Year 1

Year 2

Year 3

The Character Traits make up one part of our enrichment curriculum which runs alongside our academic curriculum. For more information about the subjects taught in school and information about our curriculum, please visit our website page [here](#).

School Survey

At this time every year, we seek the feedback of all school stakeholders including parents, staff and pupils in the form of an online survey. The results of this forms a crucial part of our own evaluation of this academic year and in turn informs our plans for 2026-27 and beyond.

The parent/carer survey consists of 15 statements and questions in total related to your views of our school and should take no more than 5 minutes to complete. The survey is completely anonymous and can be accessed by clicking on the following link [here](#).

PTA and Forest School Update

The PTA Easter celebrations were a fantastic success! From the colourful Easter Bonnet Parade to the exciting Egg-Stravaganza in the playground after school, they have raised an amazing £426. They were also delighted to raise an additional £80 through the Woodford Garden Village Easter Egg Hunt, thanks to the generosity of local residents. This brings the total Easter fundraising amount to £506 – thank you to everyone who supported these events and helped make them such a success.

A huge thank you to everyone who has worked so hard to develop the Forest School area ready for the Summer Term. A special thank you goes to **James and Hayley**, who have worked so hard to install our new equipment, whilst in the pouring rain!

Thanks to all the hard work, the space has been completely revitalised – from preparing the ground with new membrane and bark, to building a **brand-new teepee, mud kitchen, potion table, construction blocks trolley**, and installing the **wooden hill and fairy house**. What an incredible transformation!

We are sure the children will be excited to return and enjoy exploring, creating, and learning in this fantastic outdoor space.

Big Walk and Wheel 2026

Back in March, we participated in the Big Walk and Wheel event, which inspires pupils to make active journeys to school, improve air quality in their neighbourhood and discover how these changes benefit their world.

I am delighted to announce we came 79th out of 1,072 schools in our category, which was an average of 79% of the school community walking or wheeling to school.

Cycle Training Courses - TfGM

Transport for Greater Manchester (TfGM) is offering one-to-one, group and family cycle training courses for all levels of experience – and most are free to attend. We have sent out information about how to book a place.

Important Dates
