Dream big, fly high

Dream Big, Fly High

This week, Christine Roseeta Walker, Poet-in-Residence at Avro Heritage Museum has been back into school visiting classes and leading our whole school assembly.

Through engaging poetry and inspiring stories, the children learned about the importance of having ambitions and dreams. The assembly encouraged everyone to embrace challenges and think about how they can change the world for the better following in the footsteps of Sir Edwin Alliott Verdon-Roe OBE and Roy Chadwick, aviation pioneers who worked at Avro.

Christine talked about the importance of believing in yourself and working towards your dreams. The assembly encouraged everyone to embrace challenges, celebrate their individuality and remember that anything is possible with effort and determination. It was a truly uplifting experience for everyone, and we look forward to her visiting school in the autumn to help us celebrate National Poetry Day.

PTA Summer Fair

Friday 10th July 3.15pm to 5.30pm

Tomorrow, the sun is set to shine for our PTA Summer Fair. Children are invited to come to school in their own clothes, ready for an afternoon of fun and excitement enjoying all the fantastic activities on offer.

A huge THANK YOU to our wonderful PTA members and all the volunteers who have worked so hard behind the scenes to make this event possible. We would also like to thank everyone who has donated items and supported the PTA. Your generosity, time and effort are truly appreciated and help make events like this such a success for our children and school community.

We look forward to seeing everyone there and hope you have a fantastic time!

Library Books

As we approach the end of the school year, we kindly ask that all library books are returned to school. Please take a moment to check at home for any school library books that may have been forgotten. If you have any concerns about a missing book, please see your class teacher.

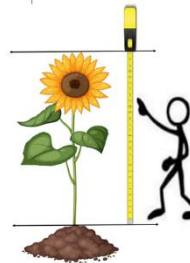

Sunflower Growing Competition

The exciting time has arrived to send in your sunflower measurements!

Please measure your sunflower from the **bottom of the stem to its tallest point** and complete the **online form** including:

- Your child's full name
- Their class
- The sunflower's height in centimetres (cm)

Please complete the form with your child's sunflower measurement by **Thursday 16th July**. The Department for Environment will then judge the entries and request photographic evidence for the tallest sunflower in each class.

We can't wait to see how tall your sunflowers have grown! Good luck to everyone taking part!

Warm Weather

With the warmer weather set to continue and the possibility of more sunshine ahead, we kindly ask for your support in ensuring that your child is well prepared for the summer conditions.

On sunnier days, please ensure that your child brings the following items to school: a sun hat to provide protection from direct sunlight during outdoor activities; and a refillable Woodford Primary water bottle to stay hydrated throughout the day. If you wish to send sunscreen with your child, please ensure it is clearly labelled with their name and they can apply this themselves.

We will continue to keep you informed of any reasonable adjustments made to the school uniform during periods of hot weather.

Important Dates

10 th July	15.15 PTA Summer Fair – non-school uniform
14 th July	RSW and 1AH Simply Books Author Visit
20 th July	09.10 Pre-School Graduation
