

Welcome to Pre-School

We are looking forward to the start of a new school year and sharing all the great learning experiences we have in store for your child. Keeping you, as parents/carers, involved in your child's learning is very important to us, so we would like to share some information with you.

The Pre-School Team

Mrs Stevenson

Class Teacher

Mrs Stevenson is a big fan of outdoor adventures with her family, especially paddle boarding and walking. She sings in a local choir, loves baking and making pizzas in her pizza oven.

Miss Davies

Learning Support Assistant

Miss Davies leads the Department for Environment at school. She works with the group to look after the grounds and promote the global goals. She has worked at WPS since opening in 2022!

Miss Tweedy

Learning Support Assistant

Miss Tweedy has a passion for children's mental health and wellbeing. She is recently back from maternity leave after the birth of her son.

Mrs Haris

Learning Support Assistant

Mrs Haris likes to drink black coffee every morning and in her spare time enjoys gardening.

Miss Snelson

Learning Support Assistant

Miss Snelson has a dog called Haribo and she enjoys growing fruit and vegetables in her allotment. Miss Snelson is the Kids Club lead.

Pre-School Highlights

We have lots of exciting curriculum opportunities to share with the children this year. Here are a few of the highlights – nature trail, nativity performance, spring walk, Spring Sing and so much more!

To find out more about what is happening in each term, you can look on the Pre-School page of our website which will go live in September. To keep up to date with everything going on in Pre-School at WPS, follow our Instagram account @wps.preschool

Key Information

Reading

- Reading is at the heart of our school curriculum. In Pre-School, we share high quality texts as a whole class during daily story times, alongside one-to-one and small group reading activities.
- Your child will have the opportunity to choose a book from our school library to share with you at home.

Home Learning

- The Home Learning activities are designed to consolidate and extend learning in school.
- Home Learning activities are shared via the Tapestry App. They are designed to be fun and engaging; sometimes your child may need support to complete them.
- If your child completes any of the Home Learning tasks, please upload these to Tapestry so we can share and celebrate their work together in school.

Home School Communications

- The Pre-School team is available every morning and at the end of the school day to receive messages. Please allow time for safe arrival/dismissal of pupils before speaking to the Class Teacher.
- Your child's Class Teacher should always be your first point of contact; you can arrange a phone call or book a meeting via the school office.

Drop-off and Collection Arrangements

- Pre-School children will enter school through the Pre-School door from the playground at 8.45am.
- The children will be dismissed from the Pre-School door onto the school playground, directly to their parent/carer at 3.15pm.
- If the person collecting at the end of the day is different to usual, please inform the school's admin team before 2.30pm so that they can notify the Class Teacher.

Snack

- Government-funded fruit and milk are provided for Pre-School children.
- A milk alternative can be brought into school in a small bottle or flask, but please remember that we are an allergy-aware school and these products cannot contain nuts.
- Please remember to send your child's school water bottle into school with them every day.

Uniform

- Children should come to Pre-School wearing a school polo shirt, any comfortable trousers/leggings/shorts and shoes.
- Please ensure all items coming into school are clearly labelled with your child's name.

We look forward to working with you and your child during the year ahead.
