Dream big, fly high

Parents' Evenings

On **Tuesday 29th and Wednesday 30th September**, we will be holding Parents' Evenings where we will share information about how your child has settled into their new class, the next steps in their academic learning and personal development, and share advice about how to support your child with their learning at home.

To book a 10-minute appointment, open the MCAS App and select Parents' Evening (left-hand side), select your Class Teacher and then select a date and time. The Parents' Evening booking feature will go live on the App on **Sunday 20th September at 8pm**.

If you have any problems booking an appointment, please get in touch with the School Office. If you are unable to make any of the offered times, please do not worry, just email the School Office with your availability so we can make an alternative arrangement with the Class Teacher.

Harvest Collection for Hope Central Food Bank

This Harvest season, we are delighted to be supporting [Hope Central Food Bank](#) through our annual food collection. This is a wonderful opportunity to bring our School Character Traits to life and help our children understand the importance of **citizenship, gratitude and kindness**.

By donating an item, children can learn that even a small act of generosity can make a big difference to families in our local community. Harvest helps us reflect on the things we are thankful for while encouraging us to care for others and show compassion to those who may need extra support.

We will be collecting donations from **Monday 21st September to Thursday 1st October**, with the collection period allowing families to bring donations along during **Parents' Evenings**.

Drop-off point: please leave donations in the front reception area/room on your left as you come through the main school entrance.

Most-needed items: tinned meat and fish, tinned vegetables, tinned fruit, long-life milk, sugar, packet pasta sauce, mayonnaise, tomato sauce, biscuits and cooking oil.

Our **Treasury Department** will be helping to sort all donations into food groups ready for distribution. Thank you for your generosity and support. Together, we can help our children develop important values while making a positive difference to the lives of others.

Reception Curriculum Information

The Reception Curriculum Information Session will take place on **Wednesday 23rd September** at **4pm** and will be held in the Reception classroom.

We will share information about the Reception curriculum and how you can support learning at home. This session is for parents/carers so please make alternative arrangements for your child if you are planning to join us.

We hope to see you there, however we appreciate that not everyone will be able to attend at this time so we will publish the slides used during the meeting on our school website.

Instagram

If you are not currently following your child(ren)'s class Instagram account, please request access to the relevant account(s) and complete the [form](#) with your details so that we can verify your identity.

@wps_preschool @wps_reception
@wps_year1 @wps_year2 @wps_year3
@wps_year4

Once your account has been verified and approved by the school, your follow request will be accepted and you will gain access to the feed. Please ensure that all follow requests and verification details are submitted by **Monday 12th October**.

Birthday Books

A special way to share your child's birthday with our school community is by donating a book to our school library. We will dedicate 'Birthday Books' with a personalised book sticker and these will add to our collection for the children to choose and take home and the books donated will be shared with the children during our weekly Friday assembly. This year, we have partnered with Simply Books in Bramhall, who have helped us create a selection of recommended titles from which families can choose. Thank you for considering supporting our library in this special way!

Simply Books.

School Nursing Service

Our school nursing service is here to support with a wide range of topics. The service has an online resource area with health information, resources and advice for children, young people, and their families.

The Padlet page includes information on emotional wellbeing, sleep, toileting, healthy relationships, and information about the school nursing role and more.

To find out more, visit the page [here](#)

If you would like to be referred to the school nursing service, please see your Class Teacher or let the School Office know and we can make a referral on your behalf.
