Safe and Happy Children

The most important thing to us is that children arrive at school happy and remain happy throughout the day.

A safe and happy environment is conducive to successful learning.

WOODFORD

- Children's interests are central to planning and provision
- A mixture of adult directed teaching in whole class and small groups and child-initiated learning

Road to School

Our 'Starting School' page on our website includes a **Road to School** poster which provides lots more ideas you can try with your child at home to help prepare them for school.

School Nurse Service

- Previously, if you had any concerns about your child's health, you would have contacted your Health Visitor.
- Once your child starts in Reception they transition from the Health Visiting team, to the School Nurse Service.
- The School Nurse is here to provide support for the health and wellbeing of your child through their school journey, until the leave in Year 11.

‘All About Me’ Shoebox

To help us get to know your child we'd like to learn all about their favourite things.

Please support your child to gather together a few special items; toys, objects, special photographs, a favourite book and store them in a small box. You can decorate your box too!
