PTA Class Representatives

Dear Parent/Carer,

We are excited to introduce the concept of Class Representatives (Class Reps) for our school community. A Class Rep plays an important role in building a closer connection between parents, teachers, and the school.

Their primary responsibilities include sharing important updates from the PTA, helping organise class activities, and encouraging parent involvement in school events.

Class Reps act as a point of contact for parents, helping ensure that everyone stays informed and engaged. They also support the class teacher by coordinating volunteers for activities or class trips if required.

Class Representatives:

Nursery (Ladybirds):	Kayla Tyler
Reception (Hedgehogs):	Leigh Collett (<i>Acting representative</i>)
Year 1 (Woodpeckers):	Rebecca Freeman
Year 2 (Squirrels):	Whitney Butler
Year 3 & 4 (Otters):	Abby Rooke
Year 5 & 6 (Foxes):	Samantha Baverstock

Please note the Class Rep is a PTA-related role dedicated to supporting class communication and activities, but they are not responsible for addressing any school-related queries or academic matters.

We believe this initiative will help strengthen communication and encourage a stronger sense of community within each class. If you are interested in finding out more about the PTA or if you have any questions, please feel free to reach out.

Thank you for your ongoing support!

Kind Regards,

Woodgate Primary Academy PTA
