The PTA has a logo!

We're thrilled to introduce our very own PTA logo! This new design represents our commitment to supporting pupils, teachers, and families while strengthening our school community. You'll start seeing it on newsletters, event flyers, and social media, making it easier to recognise PTA-related programs and initiatives. We hope this logo becomes a symbol of the teamwork and dedication that make our school such a wonderful place. Thank you for being part of this journey with us!

We're excited to share that our school is planning to begin the process of OPAL (Outdoor Play and Learning) playground scheme in the summer term. This fantastic initiative will transform playtime, giving children creative, engaging, and inclusive opportunities to explore and have fun outdoors.

In the meantime, we're exploring storage solutions so we can provide a variety of items for the children to enjoy before the scheme officially begins. We'll keep you updated on our progress and may reach out for your input or support as we move forward.

Introducing Uniformerly to our School

We will be using Uniformerly, a convenient platform for buying, selling, and donating second-hand school uniforms within our community. This initiative promotes sustainability, reduces waste, and offers an affordable solution for managing uniform needs.

We encourage parents to donate any outgrown or unused uniform items to support this effort. However, please note that any uniform with a logo on must feature the newer blue and white Academy logo. (We will not be selling uniforms with the older blue and red school logo. By adopting Uniformerly, we aim to help families, foster environmental responsibility, and strengthen our school community.

We welcome used items that are clean and in good condition.

Please visit this link for further details!
